Principal's Report

Dear parents and families

ANZAC Assembly tomorrow 10:30am

Please come along and join us at our special ANZAC ceremony tomorrow. This will commence at 10:30am in our school hall. I look forward to seeing many families and hosting our special guests. Following the assembly we will have a morning tea for families and guests. This will also be a time for the school and community to say thank you and farewell to ACT Commissioner for Children and Young People, Alasdair Roy who has strongly supported our school for many years.

New temporary carpark arrangements- HMAS Creswell Entry Gate relocation

HMAS Creswell are currently upgrading and working on the main entry gate on College Road, into HMAS Creswell. This work means that the new temporary entry point into HMAS Creswell is through our main school carpark, using Chambers street. Due to the increase of traffic flow through and around our school grounds it is very important to abide by the road signage and follow the detour signs. The increase in traffic is also important to discuss with your children. We have spoken to classes about road rules and traffic awareness and request that you reinforce safe behaviours near roads with them at home.

We request that for Primary age students please drop off and pick up at the back carpark, behind the hall. This will help the flow of traffic around the main carpark. Preschool parents are still welcome to use the main carpark for drop off and pick up. This temporary arrangement will be in place throughout next term and could go into term 3. Thank you for your support and understanding in working with us to make this temporary arrangement as smooth as possible. The Australian Federal Police will be supporting the school in reminding drivers about signage and road usage. Please pay particular attention to the one way road at the entry point to our school grounds. It is very important that you abide by the signage and only travel in the direction advised to avoid traffic accidents.

Relay for life

Our SRC students are organising a Relay for Life event for our school on Wednesday. Students have been asked to wear yellow and purple and bring a gold coin donation. Students will participate in a relay and obstacle course and all funds raised will go towards cancer research, prevention programs and support services. Thank you to Kat Watson for organising this together with Sarah from Gudjahgmiamia.

Bunnings BBQ Fundraiser- Saturday 16 April, call for volunteers

Please call Janette urgently this week if you are able to help us at the Bunning BBQ on the middle Saturday 16 April. Any help is appreciated and we are short on volunteers. This money raises funds to support our students learning. The BBQ starts at 8am and finishes at 4pm. Please help!

Clean Up Australia Day-last Friday

Our SRC Students coordinated our whole school Clean-up last Friday as part of this National event. This was very successful and resulted in a beautiful, clean outdoor environment!

Have a lovely holiday and we will see you next term!

Kind regards

Rachel Burke

Networks

When we have a problem, are scared or upset it helps to talk to someone who we can trust.

A network is a group of people we can talk to who may be any to help us solve problems.

Things to think about when choosing people for your network:

- ✓ We are about to get in contact with them
- ✓ They are willing to listen
- ✓ They are willing to believe us
- ✓ They will help us to explore our options
- ✓ They are willing to take action for or with us necessary
