Term 2- Week 04 18th May 2020

Dear Parents and Carers

It was with great delight that we welcomed our students back to school today. Staff were very excited to see their smiling faces as they got off the bus and all students have settled into class nicely as the day progressed.

Please rest assured that all health and hygiene requirements are being adhered to closely and that additional cleaning measures have been put in place for the school.

There has been a lot of work going on around the school while the kids have been at home and we are very happy with the new-look "Underground" (Art Room) space and the new swing that was installed in our playground. New reverse cycle air units were placed in our classrooms and we had some painting done as well. Nick has a brand new tool shed and office, with the old one finally being removed. From all of us at the school, I want to send a huge thank you to Tim Jirgens from Jirgins Watertec and Tyson Moore from Undercover Creative as well as our painter Nic Martyns from Jervis Bay Painting.

Here's hoping to a successful rest of the school term. Please stay well.

Lana

Calendar of events

W6	<u>1st June</u> <u>Reconciliation Day</u> <u>Public Holiday</u>	<u>2nd June</u>	<u>3rd June</u>	<u>4th June</u> Canteen	<u>5th June</u>

Returning to classroom learning in ACT public schools

When we return to classroom learning, there will be some changes to the way schools operate to help prevent the spread of COVID-19.

What you can expect from us

- Clear communication about arrangements at our school.
- Increased cleaning focused on high touch surfaces across the school.
- Soap and hand sanitiser available for everyone in prominent areas of our school.
- Regular reminders for staff and students to wash hands throughout the day.
- Posters and signage in our school about practising good hygiene.
- Minimising the number of adults and visitors to our school.
- No events that bring groups of adults together in our school (eg. assemblies, fetes, open nights).

What we need from students

- Do not come to school if you are sick.
- Wash hands before arriving at school, before food breaks, and regularly through the day.
- Follow instructions from teachers and school staff.
- Be respectful of teachers, school staff and your fellow students.

What we need from parents and carers

- Don't send your children to school if they are unwell.
- Follow our drop-off and pick-up instructions.
- Avoid coming onto school grounds unless absolutely necessary.
- Call or email ahead if you need to visit us.
- If onsite, practise good social distancing with other adults.
