Hello Families,

Jervis Bay School has had a great start to the 2014 School year. All classes are settled, engaged in their learning and working really hard. Koori and mainstream Preschool started up last Thursday and had two fantastic days.

Attendance over the first week has been outstanding with all classes achieving an average attendance of 93% or better. Congratulations to Joeys class(K/1), as the best attending class with 98%. Well done Mrs Brown, Mrs Corrigan & Mrs Watson!

We would like to invite you to an official Welcome and Meet the Teachers BBQ Lunch and classroom visit this Friday from 11.15-2.00pm. All students will be writing you an invite to attend and it would be great if all children had someone from their family attending. Could all parents please meet at the outdoor learning area.

Thank you to all our parents and families, our children look great when they all come to school in their school uniform.

Reminder, our school swimming carnival will be held this Thursday from 10.00 - 1.00pm. Parents and families most welcome at the Vincentia Leisure Centre pool.

One of the features of Jervis Bay School is our willingness to be innovative and creative with our curriculum. This year Rock and Water and Wreck Bay Language Program is being offered to all our students from Preschool to Yr6 for an hour per week (Preschool will be 30mins). If you would like any further details on these programs, I am very happy to meet with you and provide you more details or invite you to join in a class session.

Jervis Bay School is a Stronger Smarter School which promotes high expectations of indigenous students and aims to instil positive perceptions of who indigenous students are and what they can achieve. The program supports and develops educators to work in partnerships with community, using whole school strategies to deliver brighter futures for all indigenous students.
